Changing Role of the Finance Professional

History.....

Purely a Technical Role

Budgeting, Cost Containment, Reporting

Considered a back-office function

Provider of data

Not so much importance or visibility

Changing Role of the Finance Professional

Today..... the Situation,

- Technologies have enabled a global village
- Businesses influenced by markets from within and out
- Economies driven by Knowledge Workers
- Market dynamics keeps evolving requiring to tackle
 - complexities
 - challenges

Changing Role of the Finance Professional

Today.....the Role,

Strategic Planning

Innovation

Process Efficiencies

Risk Assessment & Management

Governance

Changing Role of the Finance Professional

It's all about....

Adding Value !!
