

7th April , 2017

Dear Students,

The following action verbs have been added to the present action verb checklist.

Knowledge Process	Verb List	Verb Definition
Tier - 3 Application Use knowledge in a setting other than the one in which it was learned/solve close-ended problem	Conduct	Organize and carry out a task
	Perform	Accomplish or fulfill a task or function
	Support	Assist to make decisions by providing appropriate information about respective concepts
Tier - 4 Analysis Draw relations among ideas and to compare and contrast/solve open-ended problems	Construct	Build or make a diagram, model or formula
	Write	Provide word descriptions to express an opinion or idea
Tier - 5 Evaluate Formation of judgments and decisions about the value of methods, ideas, people or products	Comment	Provide written remarks expressing an opinion in both positive and negative perspectives
Tier - 6 Synthesis Solve unfamiliar problems by combining different aspects to form a unique or novel solution	Synthesize	Make or propose a new concepts or ideas by combining existing knowledge in different aspects

These action verbs are effective from June 2017 exams onwards.

Thank you,
 CA Sri Lanka Education Division
