Advisory Committee of CA Sri Lanka – Qatar Chapter

Advisory Committee (ADCO) was formed at 10th AGM of the CASL Qatar Chapter on 26 June 2019. The prime objective of forming the ADCO is to assist the Executive committee when there is a need of critical decision(s). ADCO members consist of all the resident past presidents in Qatar and they possess neither the voting rights nor the decision making authority. Rather their role is more specific in nature and restricted merely to act as a facilitator to the Executive Committee.
