

PRACTICAL TRAINING GUIDE

The Practical training requirement as described in this practical training guide has to be satisfied by the students under the following stages.

- Module 11224 - Internship I: Certificate Level
- Module 19324 - Internship II: Strategic Level I (Diploma Level)
- Module 25424 - Internship III: Strategic Level II

Focus:

The practical training requirements are revised to ensure the quality and relevance of the practical training of the registered students of the Institute of Chartered Accountants of Sri Lanka (ICASL) in compliance with the competency based approach and standards of IFAC International Education Practice Statement. Any student, who satisfies the prescribed practical training requirements and examinations, is entitled to be admitted as an associate of ICASL. All admissions and refusals of membership shall be made by the Council of ICASL.

Scope

Training requirements to apply for the following certificates issued by the ICASL are governed by this guide.

- Associate Membership.
- Diploma in Accounting and Business.
- Certificate in Accounting and Business.
- Certificate to Practice.

Effective Date

The revised practical training requirements of the registered students of ICASL shall apply to all Training Agreements ongoing and commencing on or after 01/01/2010.
