

APPROVAL OF A TRAINING ORGANIZATION

The criteria for an organization to be considered as an Approved Training Organization shall be determined by the Council from time to time based on the recommendation of the Student Training and Development Committee (STDC).

An organization shall be approved as a Training Organization only if it satisfies the following conditions:

- It is an organization registered in Sri Lanka or in any other country approved by the Council;
- It nominates a full-time employee who is a Member of the Institute as the officer responsible for practical training (Authorized Officer).
- During the entire period of trainee-ship, it satisfies that the capability of meeting the practical training standards or any other conditions as the Council determine from time to time.

Categories of Approved Training Organizations

Approved Training Organizations are identified under two categories;

- Public Practice Organizations (PP) – Firms of Chartered Accountants and the Auditor General's Department.
- Non-public Practice Organizations (NPP)– all other organizations approved by the Institute other than those classified as Public Practice.

Application to Approve an Organization as a Training Organization

An organization seeking recognition to provide approved practical training in Public Practice should submit an application on the prescribed form. A Member of the Institute who signs such forms and any related letters takes the full responsibility for the correctness and the accuracy of the information disclosed therein.

The Committee may review the information declared in the application which may include reviews of business profile, organization structure and facilities for practical training.

A responsible officer representing the Training Division of the Institute will visit all the prospective Public Practice training organizations and selected Non-public Practice training organizations prior to granting the approval.

The approval shall be granted initially for Executive Level training and may be extended to the Corporate level subsequently.

CRITERIA TO APPROVE AN ORGANIZATION

An organization shall satisfy following basic requirements to apply for registration as an Approved Training Organization.
