

13th December 2019

Dear Student,

This is with reference to the recent communication sent to the students permitting them to apply for the KC4 (Corporate Governance, Assurance & Ethics) paper in December 2019.

Please note that students who have not completed the KB4 or KC4 in the 2015 curriculum or equivalent in previous curriculums, must sit for CL1 in 2020. The Council at a meeting held on 12th December 2019 decided to have a special examination for KC4 in February 2020 for students who were unable to apply for the December 2019 KC4 paper.

Students who pass the KC4 paper in December 2019 or February 2020 will have the opportunity to sit for the SL5 – Integrated Case Study paper to be held in June 2020.

Furthermore, they will also have an opportunity to apply for the 'Certificate to Practice', without taking the 'Professional Practice Management' module in the 2020 curriculum, provided they meet the practical training criteria to be eligible for the said certificate.

Students who have already applied for KC4 under the special opportunity offered up to 16th December 2019 can request the Examination Division to transfer their already paid exam fees to the February 2020 KC4 exam, if they wish to sit for the February exam instead of the December exam. However, this request must reach the Examination Division no later than **20th December 2019**. Please note that the February examination will be held only in Colombo.

Thank you,

Yours sincerely,
