2. **Mandatory statement**

At the point of registration/application with ICAEW, individuals are required to declare any past act or default that might be perceived as bringing discredit on themselves, ICAEW or the profession of accountancy, however long ago the act or default occurred and wherever it took place. Acts or defaults occurring following registration with ICAEW should be declared to ICAEW as soon as is practicably possible. If you are found to have failed to disclose relevant information, your registration/application may be revoked or membership prevented or withdrawn. In addition, disciplinary action may be taken against you.

Please note that the provisions of s4.2 of the Rehabilitation of Offenders Act 1974 do not apply in the case of persons seeking to become chartered accountants and a full and accurate response is therefore required even if your convictions are now regarded as spent. The only exception to this requirement is convictions and cautions which are designated 'protected' under the Rehabilitation of Offenders Act 1974 (Exceptions) Order 1975 (Amendment)(England and Wales) Order 2013.

If you think that your conviction may be 'protected' further guidance can be viewed on the Disclosure and Barring Service and Nacro websites.

Acts requiring disclosure would include (but are not limited to):

- being found guilty of (or having pleaded guilty to) any criminal offences;
- having been charged with a criminal offence which is as yet to come to trial;
- entering into an Individual Voluntary Arrangement or similar composition with creditors;
- failing to satisfy a judgement debt;
- being the subject of an adverse finding by a professional body or regulator;
- having had a disqualification order made, or having given a disqualification undertaking, under the Company Directors Disqualification Act 1986, or similar overseas legislation; or
- having entered into bankruptcy or being a discharged bankrupt.

Do any of the above circumstances (or similar) apply to you?

- Yes
 No

If any of the acts or defaults listed above do apply to you, or you think that there are similar matters which you should declare, please send details to declarations@icaew.com. Some of the matters listed are UK specific, but you should always declare any equivalent act or default which occurred outside the UK. Please note that if you make a disclosure, this will not automatically result in your registration being refused. ICAEW may, however, wish to make further enquiries before reaching a decision.
