

Unveiling the government's mid-term strategy, Secretary to the Treasury; Dr. P.B. Jayasundera declared that the government was

Addressing the annual budget seminar organized by the Institute of Chartered Accountants of Sri Lanka (CA Sri Lanka), Dr. Jayas

“The budget has been framed as a medium term plan from 2014 to 2016 and should not be considered as a budget presented

Accordingly, the government forecasts a 5.2 percent reduction in fiscal deficit by December 2014, followed by a 4.5 percent

Emphasizing as to why the government chose 2016 specifically, Dr. Jayasundera said the government presented a ten year d

"In that context, by the time Sri Lanka reach middle income economic status, that economy will have 3.8 percent or less than 4
