

In yet another pioneering effort aimed at offering intellect and insights for the benefit of the accounting and finance professionals in the country, the Institute of Chartered Accountants of Sri Lanka (CA Sri Lanka) recently unveiled 'The Abacus' – the official magazine of the institute.

The Abacus which succeeds the institute's more archaic Chartered Accountant journal is published on a quarterly basis and is packed with an interesting line up of articles featuring some of the country's leading chartered accountants who steer mega businesses across Sri Lanka, apart from a series of features covering current affairs, business, technical input to even light pieces on travel, making The Abacus an interesting read.

The Abacus is overseen by a versatile Editorial Team comprising of several CA Sri Lanka members including the Institute's President Mr. Sujeewa Rajapakse, Vice President Mr. Arjuna Herath, Chief Executive Officer Mr. Aruna Alwis and CA Sri Lanka Members Mr. Gerard J David, Mr. Channa Manoharan and Ms. Coralie Pietersz.
