The Association of Public Finance Accountants of Sri Lanka (APFASL), the Public Sector Wing of CA Sri Lanka successfully completed its capacity building programmes in the North Central and Northern Provinces recently, which was attended by well over 300 participants.

APFASL conducted a series of awareness programmes in Anuradhapura and Jaffna on the Sri Lanka Public Sector Accounting Standards and Accrual Accounting for chief accountants, accountants, internal auditors among others who are involved in the preparation and presentation of financial statements of the North Central province and the Northern Province.
