Chairman of the Faculty of Certified Business Accountants, Mr. J. M. U. B. Jayasekera said that the new graduates have a thorough knowledge and understanding in accountancy, auditing, taxation, management, business law and information technology, allowing them to serve in public and private institutes, banks and financial institutes as recognized accountants.

"We have made arrangements to provide them with continuous professional development in order to make their services more effective," he said.

CA Sri Lanka Chief Executive Officer Mr. Aruna Alwis said that obtaining the Certified Business Accountant statues of CA Sri Lanka confirms that the graduate possess the necessary skills and competencies to function as recognized mid-level accountants supporting the public and private sectors across the country, where they can utilize their technical know-how for the benefit and sustenance of the organization they serve for.

"As a Certified Business Accountant, these mid-level accountants have received a firm foundation for a rewarding career," Mr. Alwis added.
