CA Sri Lanka has kicked off its mentoring programme to nurture the aspirations of Chartered Accountants. The programme is aimed at providing guidance and support to young Chartered Accountants in their professional journey. The programme is being implemented by the Institute of Chartered Accountants of Sri Lanka (ICASA) in collaboration with various professional bodies and organizations. The programme is expected to run for a period of six months, during which time the mentees will receive regular guidance and support from their mentors. The programme is a significant step towards the development of the Chartered Accountant profession in Sri Lanka.
