

The National Conference of Chartered Accountants, recognized as one of Sri Lanka's largest annual business summits, will in its 38th year receive a renewed boost from three top companies; Prime Group, Singer (Sri Lanka) PLC and Tokyo Cement Company PLC, who have come on board to power the conference with gold sponsorships.

The conference organised by the Institute of Chartered Accountants of Sri Lanka (CA Sri Lanka) will bring together over 1500 delegates including business leaders to the BMICH from 25th to 27th October 2017 where local and international speakers will deliberate around the theme "Dynamism - Agility in Leadership". Meanwhile, the organisers have already closed registrations for the conference for physical attendance as the number of registrations have surpassed 1500, however the webcast registrations for the three day event with two days of technical sessions is still open for professionals in Sri Lanka and overseas.

During a ceremony held recently, representatives from the three companies and CA Sri Lanka exchanged the sponsorship cheques. Welcoming the companies onboard President of CA Sri Lanka, Mr. Lasantha Wickremasinghe said that the sponsorship extended by Prime Group, Singer and Tokyo Cement was not only boost to the annual event, but also was testament to the reputation that the national conference has built over a period of nearly four decades.
