

Second CSR Initiative by PACSS Concludes Successfully

The Practising Accountants Chartered Students' Society (PACSS) successfully concluded its second CSR event, a blood donation campaign on the 11th February 2012 at the Institute of Chartered Accountants of Sri Lanka (CA Sri Lanka). The blood donation campaign "Give Blood Give Life" was organized to commemorate the society's 30th anniversary. The event attracted more than 75 donors who generously donated their blood to give life to others.

PACSS is the students' body of the Institute of Chartered Accountants of Sri Lanka. The blood donation campaign marks the second CSR initiative in the 2011/12 calendar of the society. In late 2011, the committee successfully concluded its first CSR activity at the Sujatha Elders' Home.

The society wishes to express its sincere gratitude to the CA Sri Lanka Council members, staff, students and all those who donated blood to make the event successful.
