25th October 2020

Dear Student,

Re: Corporate & Strategic Level Examinations of CA Sri Lanka

As you are aware, CA Sri Lanka was compelled to postpone the Corporate and Strategic Level examinations in October due to the prevailing situation in the country. Thereafter, we are currently exploring the possibility of offering you two options which are detailed below.

Option 1 - Online examination for students with the required infrastructure facilities.

Option 2 - Manual examination for students who are unable to sit for the online examination after CA Sri Lanka receives clearance from health authorities.

How to Prepare for Option 1

Mock Exam

CA Sri Lanka is planning to conduct an online mock exam for the candidates who have applied for the October 2020 Corporate & Strategic Level examination before commencing the online exam. We expect to commence the mock exams for all Corporate & Strategic Level subjects from **1st week of November 2020**.

Please note that these mock exams are compulsory for the candidates who intend to answer the Corporate & Strategic Level online exam. **Candidates who do not participate in this mock exam and who do not write the mock exam will not be allowed to sit for the online examination.**

The instructions for the mock exam and the registration forms for the mock exam will be made available in due course.

Please note that during the mock exam and the online exam, you and your computer screen will be monitored by exam proctors and will be recorded for future reference. Any form of malpractice will be seriously dealt with by the Institute.

Required Facilities for the Mock Exam

You will need a laptop or desktop computer with uninterrupted internet connection and electricity to answer the mock examination. The Laptop/Desktop computer should also have a camera and a microphone.
