BUSINESS LEVEL I AND EXAMINATION DECEMBER 2020

Dear Student,

Following the disruption of postal services due to the recent curfew in certain areas, CA Sri Lanka has not received some of the applications for the Business Level I & II exams to date posted by students.

Therefore, in order to continue the examination process, we request you to update your exam application information in the Google Form as detailed below until you submit your application via post.

Students who have already posted their exam application to the Institute are requested to complete the Google Form with all the requested information on or before Friday, 20th November 2020.

Students who have paid the exam fees but were not able to post their application are requested to complete the Google Form. Students must mark the same Google Form which they have already marked in their exam application. Please note that you are not permitted to change the subjects you have chosen for the exam subjects.

Students who have applied online and already emailed their application to the email address do not have to fill and submit the Google Form.
