Dear Student,

Survey to help understand students' preparedness to sit for Busines exams in English

We refer to the student communication released recently by CA Sri Lanka anno the medium of assessment for the Business Level II exams under Curriculum only be in English from 2023 onwards.

This decision was taken by CA Sri Lanka having understood the importance of language in a global context, which we believe will be immensely helpful to ir confidence of our students and help them face the challenges of the futu corporate world ready.

We are currently looking at introducing the English medium exams for Busin in a flexible manner to ensure the language does not hamper the performa students. Therefore, to help us understand your requirements and concerns, that you take a few minutes to fill out the survey and submit it on or before 2022.

Your response will help CA Sri Lanka identify the issues faced by you, ar the necessary steps to provide you with the required support and guidance.

Please note that this survey is **only for Business Level students**. Therefor are a Corporate or Strategic Level student, please ignore this communication.

Click here to open the form.

Thank you,
Yours sincerely,
THE INSTITUTE OF CHARTERED ACCOUNTANTS OF SRI LANKA
