CA Sri Lanka Chief Executive Officer, Mr. Aruna Alwis emphasized that the forthcoming seminars in Galle and Kurunegala is part of the Institute's efforts to share the knowledge in areas out of Colombo on the latest developments in the Sri Lanka Accounting Standards.

CA Sri Lanka is the sole authority in promulgating accounting standards in the country and the Institute decided to adopt the IFRS for SMEs as the SLFRSs for SMEs with effect from 1 January 2012, thereby making SMEs to comply with the statutory requirement of presenting financial statements using these standards, while at the same time not be over-burdened with complex requirements of the full SLFRS.
