

The Institute of Chartered Accountants of Sri Lanka (CA Sri Lanka) in its capacity as one of the country's largest tertiary education providers has introduced a unique English course for the benefit of students and school leavers which will provide them comprehensive English language skills to enhance their future career prospects.

The inaugural Practical Business English Course which will commence on 22nd May 2013 promises a lifetime of benefits including effective practical language skills required to work in an office environment, enhanced English language competency, while also helping students to be confident professionals with the required communication knowledge of English, which is known to be the universal language.

The 65 hour course held over a period of four months will help students to communicate effectively on a wide range of business situations, gain confidence in using the language in an English speaking environment, learn a range of business terms and vocabulary, improve grammatical knowledge, develop reading comprehension of authentic business text and enhance both academic and professional writing skills.

The course specifically targets students who are following the chartered accountancy course at CA Sri Lanka, university students, students of the Association of Accounting Technicians, career seekers, school leavers as well as students sitting for the advanced level examination.

The course will be conducted by the Multimedia English Language Centre of CA Sri Lanka, which has built up a reputation for providing highly advanced and very proficient English courses for both students and professionals from the accounting and non-accounting sectors.

Students who follow the CA Sri Lanka Practical Business English Course will enjoy individual attention during the course, which will be conducted by a highly qualified and well experienced team of lecturers.

Students will also be provided with a variety of learning materials, and will also enjoy unlimited access to the latest business English materials including e-modules. Students who follow the course will also enjoy free access to the well-stocked CA Sri Lanka library, during the course period.

A certificate will be offered to candidates who successfully complete the course. **For more information you may contact the Multimedia English Language Centre of CA Sri Lanka on telephone: 2352075 or email: englishcourses@casrilanka.com**
